News Release

Steven B. Morgan, MD Earns Subspecialty Board Certification in Sports Medicine

Orthopaedic Associates of North Texas (OANT) proudly announces that Steven B. Morgan, MD, recently earned Subspecialty Certification in Orthopaedic Sports Medicine from the American Board of Orthopaedic Surgery.

To earn Sports Subspecialty Certified status, the physician must: actively practice orthopedic sports medicine for at least two years in the same location following the completion of any formal education, document and perform over 115 surgical cases related to sports medicine, and pass a comprehensive written examination. Dr. Morgan satisfied all three requirements last month when the Board announced that he had successfully passed the written examination.

If you would like to schedule a consultation with Dr. Morgan, please call the Clinic, 972-727-9995.

About Orthopaedic Associates of North Texas (OANT)

OANT was founded in 1990 and proud to be a part of the Allen and McKinney communities. Our five physicians are all board certified or board eligible and we offer physical therapy services in both clinics. Our mission is to provide quality, compassionate care to all patients to help them return to an active lifestyle. For more information visit our website, www.oant.net or call us at (972) 727-9995.
